New name, same mission: meet the Texas A&M Natural Resources Institute

We are proud to announce that the Texas A&M Institute of Renewable Natural Resources is now the Texas A&M Natural Resources Institute.

Our renaming was part of a strategic planning and brand-building process that the institute began a few years ago and has culminated in 2017 with our updated website, brand and name.

TWRI and NRI work together to foster and communicate research and educational outreach programs focused on water and natural resources science and management issues in Texas and beyond. TWRI and NRI are part of Texas A&M AgriLife Research, the Texas A&M AgriLife Extension Service, and the College of Agriculture and Life Sciences at Texas A&M University.

Conservation Matters publishes timely information about water and natural resources news and research at universities and organizations in Texas. If you have information for possible inclusion in *Conservation Matters*, please contact Leslie Lee at llee@ag.tamu.edu. All submissions may be edited for grammar and style.
