

# Texas Riparian & Stream Ecosystem Workshop

## San Antonio Area Watersheds

December 8, 2020 | 10:00 a.m. - 12:00 p.m.

Online

Online RSVP and Agenda: <http://twri.tamu.edu/texasriparian>

For more information and to register please contact Clare Escamilla at 210-277-0292 ext. 205 or [clare.entwistle@ag.tamu.edu](mailto:clare.entwistle@ag.tamu.edu).

**Continuing Education Units available:** Texas Department of Agriculture Pesticide Applicators License – 3 CEUs; Texas Water Resources Institute – 1 CEU; Certified Crop Advisor - 7 CEUs; Texas Nutrient Management Planning Specialists – 6 hours; Texas Forestry Association – 7 hours; Society of American Foresters – 7 hours; Texas Board of Architectural Examiners “Acceptable for HSW credit”; and may also be used for CEUs for Professional Engineers.

This free two-part online workshop will feature a virtual training on the nature and function of stream and riparian zones and their benefits to be viewed at the participants’ leisure before the December 8<sup>th</sup> virtual meeting. The December 8<sup>th</sup> meeting will include a discussion with course instructors and local watershed coordinators. The online education program will cover an introduction to riparian principles, watershed processes, basic hydrology, erosion/deposition principles, and riparian vegetation, as well as potential causes of degradation and possible resulting impairment(s), and available local resources including technical assistance and tools that can be employed to prevent and/or resolve degradation. This event is being co-hosted by the San Antonio River Authority, the AgriLife Extension Office in Bexar County, the Texas Riparian Association, and the Texas Water Resources Institute.
