

Urban Riparian and Stream Restoration Program

Urban Stream Restoration Training – Junction

October 20, 2021 | 8:30 am - 4:00 pm

Texas Tech – Llano River Field Station
254 Red Raider Ln,
Junction, TX 76849 ([Map](#))

Information including the hydrologic cycle, basics to stream morphology, stream classification, stream instability, stream restoration, stabilization structure, vegetation, and monitoring and evaluation will be explained through classroom-style teaching in the morning session, and hands-on activities in the field at a nearby stream in the afternoon sessions. Participants will receive a certificate of completion at the end of the training.

Registration is limited to the first 40 people. Cost is \$50 and includes all training materials, a catered lunch, and a certificate of completion at the end of the course. Registration is required by October 15, 2021. Register online at <http://texasriparian.org/restoration-training/restoration-trainings-schedule/>, or by email to clare.entwistle@ag.tamu.edu. Lunch will be provided but participants may bring their own. Dress is casual and comfortable; hip boots/waders are required for the hands on field assessment, as we will be in the creek in the afternoon.

Continuing Education Units Available:

- Texas Water Resources Institute – 1 CEU
- Texas Nutrient Management Planning Specialists – 6 hours
- Texas Floodplain Management Association – 6 CECs
- Certified Crop Advisor -- 7 CEUs (Nutrient Mgmt.: 1, Soil & Water: 2.5, IPM: 1, Sustainability: 2.5)
- Texas Board of Architectural Examiners "Acceptable for HSW credit"
- The program may also be used for CEUs for Professional Engineers.
- Check with your Chapter for Master Naturalist and Master Gardener to see if it is approved for your area.

Life's better outside.
PROUD PARTNER

Funding provided through a Clean Water Act Section 319(h) nonpoint source grant from the Texas Commission on Environmental Quality and U.S. Environmental Protection Agency.
