TWRI

TWRI and IRNR work together to foster and communicate research and educational outreach programs focused on water and natural resources science and management issues in Texas and beyond. TWRI and IRNR are part of [Texas A&M AgriLife Research](#), the [Texas A&M AgriLife Extension Service](#) and the [College of Agriculture and Life Sciences](#) at [Texas A&M University](#).

Conservation Matters publishes timely information about water and natural resources news and research at universities and organizations in Texas. If you have information for possible inclusion in *Conservation Matters*, please contact Leslie Lee at lhlee@ag.tamu.edu. All submissions may be edited for grammar and style.
