#### **TWRI's Year in review: 2018**

For the Texas Water Resources Institute, 2018 marked another successful year of addressing Texas water resource issues. [Read more.](#)

### New "Reversing the Quail Decline Initiative" Webpage

NRI has a brand new web page for the Reversing the Quail Decline Initiative on the Dallas AgriLife Center website! Here you'll find an overview of the program, information on our native quail species and links to valuable resources. [Read more.](#)

## A look back: txH<sub>2</sub>O Highlights

### A look back: txH<sub>2</sub>O Highlights

*Conservation Matters* is beginning a new series highlighting previous articles from TWRI's biannual magazine, *txH<sub>2</sub>O*. [Read more.](#)

### Wild pig and human interactions

Wild pigs (*Sus scrofa*) have gained quite a reputation for being aggressive towards humans and companion animals. This article explores research conducted on human-wild pig interactions and will attempt to separate the facts from the substantial lore surrounding this topic. [Read more.](#)

### Tracy named ISTPP Fellow in Bush School

Dr. John Tracy, Texas Water Resources Institute's director, was recently selected as a fellow for the Institute for Science, Technology and Public Policy. [Read more.](#)
